### EVERCOAT®

#### Heavy Duty Rubbing Compound

This aggressive, fast-cutting compound is designed to easily remove 1000-1500 sand scratches, heavy orange peel, scratches, wet sanding marks and topcoat imperfections. Quick and easy clean-up from jams, moldings and emblems. Excellent for all types of paint finishes. Contains no silicones or waxes.

**\$10.00**

### EVERCOAT®

#### Metal Glaze®

Two-part polyester finishing and blending putty. Includes ZNX-7® for adhesion to galvanized metal, aluminum, steel, SMC, and O.E.M. paint. Extra-thin formula spreads smoothly. Easily fills grind marks, pinholes, uneven surfaces and other MetalWorks® body fillers and glazing putties to enhance their ease of working. Sands easily. Pinhole-free. Helps prevent staining or bleed-through when used under basecoat/clearcoat paint systems. Blue cream hardener included.

**\$28.50**

Compare At \$34.50

## AUTO TECH

Quick 'n Easy chemically removes all sticky residues with no stain or damage to paint or surface. Just spray on, wait 60-90 seconds, then wipe off for a totally clean surface, with no gummy mess & no damage to paint. Replaces dangerous MEK & lacquer thinner - user friendly with no harsh odor. Fast removal of adhesive that remains after decals, graphics, & stripes are lifted. Safe on all paint finishes, hard plastics, glass, fiberglass, & vinyl. Hands down the best chemical formula to remove stubborn, sticky residues in seconds! Used by Rayhal/Letterman Racing Team

**\$19.00**
